Wedding Menu Selector...

Within your chosen menu selector please choose one starter, one main course and one dessert. If you would prefer to offer your guests a choice, we will ask that you choose no more than three options and that we receive a pre-order stating guest name, table number and menu choice at least three weeks prior to your wedding. We would also ask that your guests' choices are written on the inside of their place card to give them a gentle reminder of what they have chosen on the day! All our menu choices are made using locally sourced, quality ingredients, many of the vegetables are grown in our own kitchen gardens and much of the meat is reared by ourselves.
